Voting instructions to follow

December 30, 2011—District 141 is pleased with today's announcement by the National Mediation Board that the long awaited election for representation of Public Contact Employees at the new United Airlines will finally be conducted. Our current members, and our future members, have been anxiously waiting for the opportunity to cast their vote.

As this historic election process unfolds, District 141 will work hard to provide all eligible voters the information they may need to make an educated decision. Officers and representatives are available to answer any questions. Our websites, www.iam141.org and www.voteiam.com have useful comparisons and explanations of what our Union is and how it works. We encourage you to visit these sites often, as information is continually updated.

The National Mediation Board will be sending voting instructions directly to each eligible voter. If you have not received voting information from the NMB by January 24, 2012 please contact District 141 at (847) 640-2222 to assist you in obtaining duplicate information as soon as possible.

We look forward to the day that all 16,500 members of the Public Contact Employees classifications – Customer Service, Reservations, Station Operations, and those furloughed members waiting to return to work – join with their brothers and sisters of District 141 and all other organized workers of United to experience the benefits of Union representation.

Fraternally, —Rich Delaney
President, District 141, IAMAW
